Restriction of use of certain Hazardous Substances

Directive 65/2011/EU of 8 June 2011 and amendments thereafter, & the European Delegated Directive (EU) 2015/863 of 4th June 2015
Restriction of use of certain Hazardous Substances in electrical and electronic equipment

EU Directive 2002/96/EC 27th January 2003 and subsequent directives to 2012/19/EU July 2012
Waste Electrical and Electronic Equipment

This is to confirm that AEV have been aware of the restriction of hazardous substances directive, latest version 2011/65/EC, and have formulated out any substances banned, in amounts exceeding the maximum limit of permitted concentration, from our manufactured product range.

Prohibited substances are given at the link:

<http://www.rohsguide.com/rohs-substances.htm>
