

September 15, 2023

BIMED is aware of new obligations imposed by REACH and we have been working on this for since we have learned, together with our suppliers. Our company receives updates from Ministry of Environment and Urbanisation National REACH Help Desk ([Kimyasallar Yardım Masası \(csb.gov.tr\)](http://Kimyasallar.Yardim.Masasi.csb.gov.tr)) and therefore from ECHA, regarding to the changes of the Candidate List and other REACH obligations. In this respect, we have been following the additions and updates made on the SVHC Candidate List. Please be assured that BIMED is operating in accordance with REACH legislation.

Our company is also aware of the obligations with regard to the dangerous substances restricted under the Marketing & Use Directive as prescribed in Annex XVII of REACH.

According to our suppliers' statements and best of our knowledge, our product(s) below do not contain any substances exceeding 0.1% weight which are currently in the SVHC Candidate List of ECHA (235 Substances, last updated on 14 June, 2023).

In case of any change of our supply plans and contents of our products in related with REACH, we assure that we will do our best to inform you at the earliest opportunity.

If you have any further questions concerning REACH, please do not hesitate to contact us.

Product code(s):

BMOS-DS-11	BMOS-EU-12	BMOS-EU-DS-13
