

REACH Declaration

2022

COMAR Condensatori S.P.A. is manufacturer of plastic Capacitors and Power Factor Correction equipments, thus in sense of **REACH**, it's called "downstream users".

With reference to EUROPEAN PARLIAMENT AND OF THE COUNCIL amending Council Directive 67/548/EEC on the approximation of laws, regulations and administrative provisions relating to the classification, packaging and labelling of dangerous substances in order to adapt it to Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (**REACH**) and establishing a European Chemicals Agency, **COMAR Condensatori S.P.A.**

has no obligation to register or to create the Material Safety Data Sheet (MSDS)

From Amendment 33 RECITAL 44

As downstream user we : " must report the risks as highlighted in the chemical safety assessment by the most effective and relevant means possible for the user of the substance or preparation at a given point in the supply chain/life cycle and provide advice on safe use for consumers ".

COMAR Condensatori S.P.A., even if not directly involve, support the Reach object and working very closely with supplier to ensure that all raw material substances in COMAR list are pre-registered.

COMAR certifies that:

- is informed of the obligations under REACH and supports the objectives. Puts attention on communication with its suppliers and customers.
- does not produce and not import dangerous substances. It is not required to register their products
- has asked to all suppliers to indicate whether their products contain any of the supplied dangerous substances (SVHC) in a concentration above 0.1% (weight / product weight) and in this case to provide complete and satisfying info to ensure the safety use of the product.
- in our products any chemical substances included in Annex XVII dated 19/01/2021 of the REACH Regulation issued at 18/12/06 **are not used**. This list called "candidate list" of SVHC substances by ECHA is periodically updated with new substances and new Annex. It is available on the web at: [tps://echa.europa.eu/it/candidate-list-table](https://echa.europa.eu/it/candidate-list-table) .
- As provided in Art 33, paragraph 1 shall inform their customers if provided in the products you detect the possible presence of more than 0.1% (weight / product weight) of substances listed in the Candidate List.

Based on current status, we don't have any substances in this category, however after 45 days from the last update of candidate list, if something is different to actual **COMAR Condensatori S.P.A** notify to the customers the SVHC contained in their products.

COMAR Condensatori S.P.A.
